

A small, scruffy white dog, possibly a West Highland White Terrier, is lying on a bright green, textured rug. The dog is looking directly at the camera with its ears perked up. It has a yellow tag on its collar. The background is a patterned surface with large, overlapping circles in shades of blue, green, and brown. The year '2012' is printed in large, blue, stylized numbers in the top right corner.

A small, white, scruffy-haired dog, possibly a West Highland White Terrier, is the central focus of the image. It is standing on a green lawn, looking directly at the camera with its mouth open and its pink tongue hanging out. The dog has dark eyes and a black nose. A green tag is visible on its collar. Behind the dog is a large, dense bush of bright pink flowers, likely azaleas. In the background, a red car and a white car are partially visible on a street. The entire image is framed by a light green border with a subtle floral pattern.

**MSRH** wishes to thank all of our dedicated veterinarians and their respective staff. It is because of their commitment and generosity that MSRH can fulfill its mission to save the lives and change the world for unwanted Miniature Schnauzers. Dr. Dayton has managed our critical care schnauzers since MSRH's efforts began (and has been the personal vet of the MSRH President for 20 years). As the number of rescues grew each year, so did the need for additional veterinarian services. We are so thankful that other committed veterinarians answered our call for help. Each clinic below is a blessing, an answered prayer, and a simple "Thank You" doesn't seem enough. Know that we are grateful and know that, because of you, MSRH is able to make a real difference.

MSRH also wishes to thank the staff at Dogtopia for the grooming, boarding and socialization services that they so graciously offer to MSRH. They foster two of our dogs 24/7 - 365 days a year and will groom our fosters for free. In addition to that, they have held fundraisers on behalf of MSRH. We would also like to thank Pet Styling by Helen, who has so generously kept our rescues 'a cut above' the rest. We appreciate your commitment and support!
