A photograph of a dog named Walter, a small breed with grey and tan fur, sitting in a grassy field. In the background, there is a calm lake, evergreen trees, and a rugged mountain with patches of snow under a clear blue sky. The dog is wearing a red collar with a metal ring. A green rectangular box is overlaid on the left side of the image, containing the dog's name and adoption date.

Walter

MSRH wishes to thank all of our dedicated veterinarians and their respective staff. It is because of their commitment and generosity that MSRH can fulfill its mission to save the lives and change the world for unwanted or displaced, and sometimes abused, Miniature Schnauzers. Dr. Dayton has managed our critical care schnauzers since MSRH's efforts began (and has been the personal vet of the MSRH President for 30 years). As the number of rescues grew each year, so did the need for additional veterinarian services. We are so thankful that other committed veterinarians answered our call for help. Each clinic below is a blessing, an answered prayer, and a simple "Thank You" doesn't seem enough. Know that we are grateful and know that, because of you, MSRH is able to make a real difference.

MSRH also wishes to thank the staff of all the organizations that provide grooming and boarding support, Meet and Greet assistance and our many skilled volunteers who provide their professional services. Your commitment and support are invaluable! We cannot thank you enough. Our daily operations depend 100% on the generosity of others. Please know that our hearts are full from the love and assistance everyone provides.

We provide veterinary services for every stage in your pet's life, from her first vaccines to a lifetime of preventive care, to keep her happy and healthy.

Our services don't end at our hospital doors. As a member of the VCA family, our veterinarians have access to extensive medical resources, not the least of which is the VCA knowledge base, which allows our doctors to tap into the collected knowledge of over 4,000 VCA veterinarians.
